Welcome New Sponsor: Herrin Gear Chevrolet

Chris Hux, Service Director, said as a kid he had a natural love of cars. He helped his older brothers on their cars at age 12 so joining Herrin Gear in 2019 as a mechanic was an easy transition. He has been shop foreman, service manager and now service director at Herrin Gear.

His favorite part of his job is the challenge in making customers happy, turning a bad situation into a good situation.

Shelly, his wife, recently purchased a Red 1980 280ZX Datsun (she is the third owner). Chris owns a 1979 F-150 Larat, Raven Black with Arizona Beige that he is working on and a 1995 Chevrolet Short-Wheel Base Silverado Truck that he purchased from his friend's wife after his friend passed away. He is trying to fulfill his friend's wishes in restoring the truck.

The Hux's were drawn to AVCM because they wanted to be involved in the car community and their great appreciation for vintage cars.

Chris said the best piece of advice he received was from his Grandfather, "Anything you do - do it 100%. If you find you can't do 100%, do something different.

Herrin Gear will be sponsoring their 2nd Annual Car Show September 27th. Watch your newsletter for more information.
