### FROM THE DRIVER'S SEAT

Welcome to a new year everyone. I want to start the new year by thanking Bo for his fantastic guidance of the club during his turn at the helm. Playing when hurt describes Bo to a tee as he didn't miss a beat despite being through an accident that would have put most of us on the sidelines. I also want to thank the board members for their work this past year and for their time and efforts to keep the club running throughout the year. Being asked to take the presidency this next year was not something I was expecting but the board assured me that they stood steady and would work with me which I truly appreciate. And lastly I want to thank you the members for your participation in the various activities which makes everything worthwhile.

As we approach the new year I want to promise everyone that enjoying the club and the fellowship is the prime objective and for that all of the board members want to hear from you as to activities you would like to do. Please let us know what you enjoy and we'll try our best to accommodate your wishes. Along those lines, we will begin in January with Movie Night which is always a fun event. More details will follow shortly.

A happy and blessed New Year to you all.
