See page 2 for more Upcoming Car Club Events

FROM THE DRIVER'S SEAT

Bo's Two Cents' Worth:

Thanks to the Madison City Police Department for their escort to the Home Place for the John Emory Car Show and Ice Cream Social on June 21st. Our Grand Marshal was Craig Kent from the Home Place and he arrived in grand style in Claude Raworth's 1936 Ford Phaeton, 4-dr convertible car.

My Independence Day was July 3rd when I was released from hospital after my accident on June 27th. I would like to thank everyone for their calls, visits, food and support during this long recovery ahead. On page 2 is a picture of my truck with the young man, Wyatt - who is suffering from Leukemia, at the Make A Wish car show. Also pictured is my truck after leaving show.

Please plan to attend the Annual D'Lo BBQ on June 19th. I appreciate Tricia Williamson, your Vice-President, for taking the reins during my recovery. She will be presiding over the general membership meeting at this event.

I hope everyone had a safe and happy 4th.

July's Sponsor Highlight

Mike McAlpin with his sons

Mike's Automatic Transmissions

3796 I-55 South
Jackson, MS

This month's highlight is one of our newest sponsors, Mike's Automatic Transmissions, your automatic transmission specialist in Jackson, Mississippi. Mike's specialize in and work on transmissions. They have served the Jackson-area since 1956, servicing domestic and foreign cars, trucks, SUVs and 4x4's.

When asked how did he first get involved in this field Mike stated that it was a family business that his father-in-law started and he began working at in 1994. His sons will take over after he retires. He stated that he had been working on cars his whole life.

Mike is especially proud of a good running business that has been going for 24 years; his two sons work at the shop; and that it will remain in the family.

Reviews on their website were these comments: "Michael was very professional and honest both on the phone and in person. He could have done whatever service he wanted, but instead told us that nothing was needed, even pulled the pan, checked the fluid and still didn't charge us. I would take my vehicle there any time and will definitely recommend Mike's Automatic Transmission to anyone!"; "Michael has transmission fluid in his veins... he's a natural. Great guy

Welcome Mike's Automatic Transmissions to AVCM as a sponsor.
