## FROM THE DRIVER'S SEAT

### Bo's Two Cents' Worth:

We had a great turn out at the Ag Museum Spring Farm Festival Saturday, March 8th. There were 36 members in attendance with 16 awesome antique vehicles. Jambalaya was catered by Wholly Smokes and I believe enjoyed by all. Hat was passed around and we collected \$286 for Blair Batson - as always our club is very generous.

The Blair Batson Children's Hospital check presentation was Wednesday, March 12th, where we presented a check in the amount of \$13,500, the most the club has ever presented. I would like to thank all the members who helped make this check amount possible.

We have several great events coming up so watch your emails/newsletter for more information.

Bo Jordan,  
AVCM President

**Welcome New Sponsor:  
Tyer's Professional  
Auto Service, LLC**

Tyer's Professional Auto Service, LLC was founded in April of 1974 in a two-car garage in Clinton, MS. By my father Pete Tyer and mother Jackie.

We moved to our commercial location which is still operating today under Pete and Linda Tyer.

We have always worked by appointment and our specialty has become American antiques although we still work on new cars as well.

Since my wife Linda said "I want a toy" we purchased her a 1980 Trans Am Pace Car and have been thoroughly enjoying visiting with our car club family.

Looking forward to more fun on 4 wheels with all of you!

# AVCM Executive Board Member Monthly Highlight

## Meet your Board of Directors

Each month the newsletter will highlight one of the club's board members.

This month's Board member is : BoJordan

### **Bo Jordan** **President**

Bo was born in Magee, Mississippi but grew up in Jackson. He has resided in Madison Mississippi since 1980 where he lives with his wife, Kay, and raised three daughters: Melissa, Julye and Cecily (his proudest accomplishments).

He became a member of AVCM in 2014 after attending several car club events. He has held many offices on the Board including Vice-President for two years (during Covid), President and then Past-President and has now served as the President of the club for the past two years.

His main career was in fire service when he started at the Ridgeland Fire Department and then the first hired fire fighter in Madison the City. He retired from fire service in 2004 after going up the ranks from fire fighter to Fire Marshal for Madison. After leaving the fire service he started working at Paul Moak due to his love of cars (Actually he ordered a 2005 GTO and was at the dealership so much waiting for it to come in (from Australia) that they offered him a job.) He now serves on the Board for the Mega Site Fire District in Madison County as Vice-Chair at Amazon.

# 2025 SPRING FARM DAYS

# CHILDREN'S HOSPITAL CHECK PRESENTATION MARCH 12, 2025

You couldn't ask for a better day at the Children's Hospital in Jackson. We had seven members that were able to bring their vehicles out and Madison Stephens, with the hospital, arranged it where we were able to park right in front of the hospital for the check presentation.

Madison also was able to have three family members of patients currently at the hospital attend the check presentation of \$13,500. This was the largest club donation to date.
