Event: : March 7, 2026 - Ag Museum Spring Farm Days

FROM THE DRIVER'S SEAT

I'm hoping everyone who was able to visit our house for the tour enjoyed themselves. Lori and I agree that having these tours gives us an excuse to do some serious dusting. Much thanks to Bo for his assistance in getting our food at the restaurant. It appeared that they were not staffed for a group our size but in the end it looked as though most walked away with full stomachs.

By the time you read this we will have had our display and meeting at the Ag, Museum on Saturday, March the 7th. We do this display to honor our commitment to the museum who in turn provides us a place for our Christmas party each year. I hope that you were there to support your club.

If you are looking for an activity this month, the Northwest Rankin High School is having a show on March 21 to raise money for their band activities. This is the third year for this show and grows each year with well over 100 cars in attendance. You will receive a registration form in a separate email.

It's that time of year when you need to get in the garage and get you and that old car ready for the show season. Go for a ride because it will put a smile on your face and those who see it.

Drive safely,
Bob Jackman
AVCM President

Antique Automobile Club of American's National Convention

On February 7, 2026, in Cantilly, Virginia, Craig and Deborah Henry were presented the National Award for General Motors Styling in recognition of their 1958 Pontiac Bonneville. The award is a tribute to Harley Earl during his era, (1927-1958) and was considered the Dean of Automotive Designers in the 20th Century.
Congratulations to the Henry's!

Kay's Trivia

A: The 1915 Scripps-Booth Model C. The car also was the first with electric door latches.
